As a Sailor, you might want to...

1 Check out MNP Sailor Landing Page

Sailor Landing Page/MyCareer is a comprehensive career management platform designed specifically for Sailors — officers and enlisted — to help them plan, develop, and advance their careers effectively.

4 Apply for Military Health Benefits

TRICARE is the healthcare program for uniformed service members, retirees, and their family members around the world. Learn about available plans and how to enroll.

2 Learn About Military Life

Welcome to the service. You may feel like an outsider as you begin your military journey, but Military OneSource has the information, tools and resources you will need to transition smoothly and quickly to military life. Download the Military OneSource mobile app today!

3 Download the MyNavy UNIFORMS App

The MyNavy UNIFORMS app offers Sailors comprehensive information and clear guidance on how to wear Navy uniforms, components, and accoutrements correctly. It features a user-friendly gallery with detailed instructions and images that demonstrate proper wear and care of Working, Service, Dress, and Formal uniforms.

5 Put Your Future in Gear (MilGears)

MilGears is a customized career-building tool developed to assist you — our military members — while you serve, through transition, and beyond.
