The Center for Information Warfare Training (CIWT) Knowledge Port mobile application is your source for on-demand Navy Information Warfare training materials and courses. Specifically designed for CIWT enlisted ratings and officer designations, the app offers courses for Information Systems Technician (IT), Cryptologic Technician Interpretive (CTI), Information Warfare Senior Enlisted (IWSETM), Cyber Warfare Technician (CWT), Cryptologic Technician Maintenance (CTM) ratings, and Information Warfare Officer (IWO) designations.

CIWT provides access to downloadable content for use on- or off-line. Additional content includes handbooks, non-resident training courses, training manuals, and other learning materials. Other in-app resources include downloadable PDFs, links, flash cards, curated bibliographies, and access to Navy Credentialing Opportunities On-Line (COOL) and Learning and Development Roadmaps/Occupational Readiness Standards.

Users will receive official course completion certificates.
