MyCareer

Welcome to MyCareer

MyCareer is a new tool designed to help you manage your Navy career.

- Each card provides relevant information pertaining to your Career & Life Event (CLE) tasks.
- Data displayed in your cards is a subset of available data; for historical information please visit [MyRecord](#).
- Blank data fields represent data that is any combination of the following:
 - Not applicable to you
 - Not found in your record
 - Not available from MNP's data source
- If you believe your data is missing, select the SUBMIT MNCC SERVICE REQUEST button in the "I want to..." section on the right to report discrepancies.

We welcome and value your comments. Select the orange circle with three vertical dots in the bottom right corner of the page, then select the yellow circle with the thumbs up icon. Every week, your feedback is reviewed and considered for future action.

MyCareer - First Time Setup

IMPORTANT! If this is your first time visiting MyCareer, you must set up your personalized display of Career & Life Event (CLE) data and content.

- Select the PERSONALIZE DISPLAY button in the "I want to..." section on the right.
- Use the tool to personalize and sort your view.
- Include all available widgets to see the information and resources provided to support your career management.
- Please be patient as the system calls the Authoritative Data Environment (ADE) for your data.
